Atrogel® Arnica Gel

Traditional herbal medicinal product for use in the symptomatic relief of muscular aches, pains and stiffness, sprains, bruises and swelling after contusions, exclusively based upon long-standing use as a traditional remedy. Always read the leaflet.

## For more than just bruising!

Arnica is familiar to many people for its use in bruising. However, did you know that arnica also has other uses?

**Atrogel®** is a traditional herbal medicinal product used for the symptomatic relief of muscular aches, pains and stiffness, sprains and bruising, exclusively based upon long-standing use as a traditional remedy.

**Atrogel®** is made from extracts of fresh Arnica and is an easy-to-apply, non-greasy gel. It is ideal if you are looking for pain relief of muscular pain and can be applied up to 4 times a day.

So, if your lifestyle leads to periods when your muscles or joints are painful, tight or stiff, remember to have a tube of **Atrogel®** by your side wherever you are.

**Atrogel®** is available from health stores and selected pharmacies.

Always read the leaflet.
